Heartbroken for you & shedding tears with you! What a handsome and beautifully spirited young man. Sending a multitude of Angels to keep you protected & lifted up! May God Bless each in the family!

"As he takes his last breath on earth,

he will take his first breath there, In Heaven".

To the rest of the family, my heart is breaking beside yours. I loved that boy.

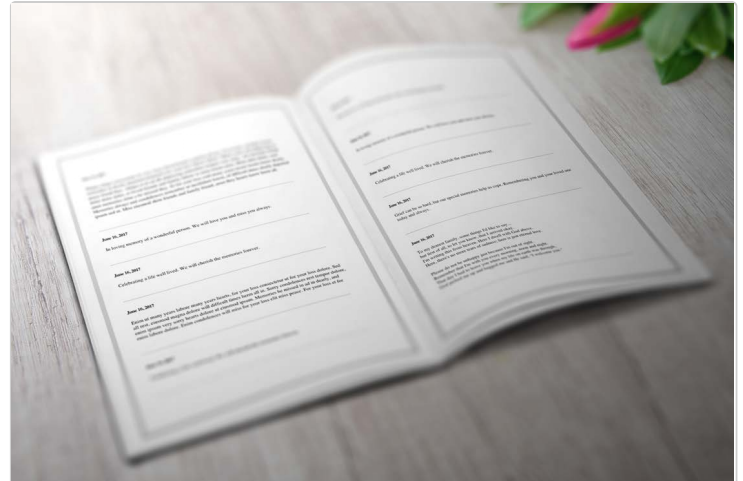

Justin, when you were young, you took Spencer under your wing. Even though you were 10 years older than him, you always spent time with him anyway. I still remember taking you to your tennis lessons - just hanging out together and talking. I always considered you a friend - even though I was 22 years older than you. There was something special about you. You had a beautiful soul and a wonder about you....

Justin, in my memory, was a beautiful
young man with a bright smile, a big
heart and loving core. His presence will
be missed while his impact will stay in
our world. Gone far too soon, may he
forever rest in peace.
